# Welcome to Kingston Estates!

**KESC** has been a summer oasis to families in the community for almost 60 years. We were the first of 13 swim neighborhood swim clubs built in Cherry Hill. As new clubs were built in our young and rapidly growing township, we maintained the highest standards.

Our aim has always been to be not only the ***best in town, but the best in South Jersey.***

It is our goal to provide a variety of activities that will appeal different age groups within the pool throughout the regular season.

## Highlight on Activities
